

Power Your Environment

Imperium Cable LLC is a US company, headquartered in Michigan, focusing on the North American Commercial, Industrial, Solar and Residential marketplaces. Imperium Cable products are sold through the electrical distribution network utilizing a sales network of knowledgeable high quality electrical manufacturers' representatives.

Manufacturing facilities totaling 2,400,000 square feet are utilized to produce Imperium Cable's product line which reflects one of the more comprehensive product lines in the industry. All of these production facilities are ISO 9000, ISO 14000 and OHSAS 18001 certified. The medium voltage power cable has been tested to the AEIC qualification requirements and certified by one of the top independent high voltage testing laboratories in the US.

Imperium Cable's product line reflects a comprehensive, high quality product mix encompassing both single and multi-conductor configurations with bare and insulated aluminum or copper conductors, thermoplastic or thermosetting (XLP/EPR) insulating materials and polyethylene (PE), Polyvinyl Chloride (PVC), Chlorinated Polyethylene (CPE) or Cross-Linked jacket coverings for low and medium voltage applications. Imperium Cable's products meet or exceed US industry standards.

Contact an Imperium Cable distributor and/or an authorized Imperium Cable manufacturers sales representative for your next wire and cable requirements. See Imperium Cable's product line.

## Low Voltage Cables

Single Conductor (Thermoplastic)	THHN / THWN-2 (Cu)	THW
MC Cables	THHN / THWN-2 (Cu) - Aluminum Interlocked Armor	
Nonmetallic Sheathed Cable - 600V	Type NM-B - THHN / THWN-2 (Cu)	
Single Conductor (Thermosetting)	XHHW-2 (Cu)	RHH-RHW-2 or USE-2 (Cu)
600V Network Cable	EPR / CPE	EPR / LSZH
Tray Cables (Type TC)	XLP / THHN / EPR	Jackets: PVC / CPE / XL-CPE / XL-LSZH

## Solar Wire

Photovoltaic Wire - 2kV	Type PV - XLPE (Cu / Al)
Photovoltaic Wire - 600V	Type PV - XLPE (Cu / Al)

## MV Power Cables

MV90 / MV105 Power Cable	2.4kV, 5kV, 15kV, 25kV, 35kV, 46kV	Insulation: XLP / EPR (Cu/Al)
--------------------------	------------------------------------	-------------------------------

## Portable Power Cables

600V / 2kV	DLO, Type G, SOOW	Type W, Type G-GC, Welding Cable
Mining Cable (2kV – 25kV)	Type SHD-GC	Mine Power Feeder

## Armored Power Cables

Interlocked Armor	Type MC	600V (XHHW) / MV (XLP & EPR)
Continuous Corrugated Welded	Type MC-HL	600V (XHHW) / MV (XLP & EPR)
